## AI Video Posting Assistant – Remote Position | No Degree or Experience Needed

### Description

#### Position Summary

The **AI Video Posting Assistant** role is a fully remote, beginner-friendly opportunity designed for individuals who want to earn reliable online income by publishing short-form videos across social platforms using automation tools. You don't need to record, edit, or even appear on camera. The system gives you **500+ AI-optimized videos**, copy-and-paste captions, and an automated sales page that pays you **\$47 instantly per sale**.

This is a low-effort, high-efficiency opportunity ideal for anyone who wants to leverage the power of AI and social video automation to build a predictable daily income stream.

### About the Role

As an AI Video Posting Assistant, you'll be responsible for managing and distributing AI-generated short videos to **TikTok**, **Instagram Reels**, **YouTube Shorts**, and **Facebook Video Feeds**. Each post connects directly to your personal storefront, where all payments, product delivery, and customer communication are handled automatically.

Your daily task is simple: post 3–5 videos, monitor performance, and let the automation take care of the rest. You'll have everything you need from day one — no design skills or marketing knowledge required.

You'll receive:

- 500+ pre-tested viral short videos optimized by AI analytics
- Prewritten captions and hashtags generated for maximum reach
- A done-for-you sales page that delivers instant payouts
- Access to onboarding tutorials and AI posting workflows
- Personal mentor support to help you scale your results

Every component of the system has been pre-built and optimized for you.

### Key Responsibilities

- 1. Upload AI-Generated Videos:** Post the videos provided daily across major social apps.
- 2. Use Optimized Text:** Copy and paste the supplied captions and hashtags.
- 3. Analyze Results:** Check your dashboard to review traffic, views, and sales.
- 4. Stay Consistent:** Maintain a daily or scheduled posting rhythm.

**5. Implement Feedback:** Apply scaling strategies from your mentor team.

All technical processes — from tracking to payouts — are fully automated.

## A Typical Day in This Role

**Morning:** Upload your pre-selected videos and set up auto-posting for the day.

**Afternoon:** Track performance metrics and review your instant sales updates.

**Evening:** Queue tomorrow's content or let automation handle it.

Time required: **15–30 minutes daily**.

## Who This Role Is For

- Anyone looking to start earning online with a proven automated system
- Beginners with no prior digital marketing or editing experience
- Students, freelancers, or stay-at-home parents who want extra income
- People who prefer faceless, process-driven work
- Individuals excited to use AI tools to simplify daily tasks

If you can copy, paste, and upload — you can succeed here.

## Requirements

- Internet access and smartphone or computer
- TikTok, Instagram, YouTube, or Facebook account
- PayPal or bank account for payouts
- 15–30 minutes per day
- No degree, followers, or experience required

## How to Succeed as an AI Video Posting Assistant

**Trust the Automation:** Let the AI tools handle what humans used to do manually.

**Be Consistent:** Daily posts trigger compounding exposure.

**Follow the Framework:** Use the same videos, captions, and hashtags provided.

**Post Across Platforms:** More networks mean more visibility.

**Track & Refine:** Focus on videos that bring the most engagement.

This role rewards consistency and process, not creativity or luck.
