Amazon Online Support Assistant | \$25-\$35/hr | Remote Work Opportunity – Open Worldwide

Description

Job Title: Amazon Work-from-Home Support Assistant
Compensation: \$25-\$35/hour
Location: Fully Remote – Global Access
Schedule: Flexible (15-30 hours/week)
Experience Required: None
Education Required: No degree necessary

Overview

Our client is seeking detail-oriented individuals to join a team supporting **Amazon-related remote operations**. If you're actively searching for "amazon work from home jobs," this is a legitimate opportunity to earn steady income while assisting eCommerce clients that rely on Amazon's platforms to run their businesses.

This is a real job—not affiliate marketing, not dropshipping, and not product testing. You'll provide administrative, content, or support-related services for teams that use Amazon Seller Central, FBA, or marketing tools. All work is fully remote and non-phone based.

Your Day-to-Day Responsibilities

You'll be placed on task teams that manage Amazon listings, reviews, fulfillment reports, and backend data for small-to-mid-sized Amazon sellers. Full training and templates are provided during onboarding.

Your responsibilities may include:

- Updating and formatting Amazon product listings and bullet points
- Organizing support tickets related to customer reviews or returns
- Reviewing and flagging feedback that violates Amazon policies
- Uploading product images and cross-checking descriptions for compliance
- Tagging and updating inventory spreadsheets for FBA orders
- Logging completed tasks and submitting reports via dashboard tools

What a Typical Shift Looks Like

You start your shift by reviewing a list of Amazon listings that need updated SEO keywords and image tags. You clean up the product titles, flag a few reviews for policy violations, and upload a spreadsheet of new ASIN descriptions. After submitting your completion log, your shift is done—fully remote, fully solo, fully efficient.

What Team Members Say

"I didn't realize how many Amazon sellers needed help behind the scenes. This job helped me understand eCommerce while earning real money." – Katrina Y., India

"I now work remotely supporting Amazon listings for two brands. It's quiet work, and I love being able to work at night while everyone else sleeps." – Mateo R., South Africa
