Job Summary

Looking for **chat and email based remote support jobs** where you can help customers without ever picking up the phone? This customer-focused subscription platform is growing its support team and hiring agents to handle live chat and email tickets—no calls, no video meetings, no cold outreach.

You'll help users with subscription questions, login problems, account management, and general product navigation. Full training, templated replies, and internal support documents are provided, making it perfect for beginners looking to build real remote work skills.

Your Core Responsibilities

- Respond to live chat and email inquiries in a structured dashboard
- Assist users with billing adjustments, account access, and product questions
- Follow templates and workflows to keep responses accurate and efficient
- Escalate technical issues or billing disputes to senior support as needed
- Track case notes, tag tickets properly, and stay organized
- Maintain a calm, clear, and professional tone in all communications

Why This Role Is a Perfect Fit

- **No phones ever.** Calm, structured work through typing only
- **Real work-from-home structure.** Pick your shifts and work anywhere
- **Weekly pay.** Get paid reliably for real hours worked
- **Beginner-friendly.** Full training provided—no prior experience needed
- **Build career-ready skills.** Customer success and support experience for your future resume

What You'll Need to Start

- Laptop or desktop computer with Chrome browser
- Reliable internet connection (10 Mbps or higher)
- Typing speed of 45+ WPM
- Fluent written English and attention to detail
- Ability to stay focused across multiple open chats or emails
