Company Profile

A leading customer success agency serving fast-scaling SaaS and eCommerce brands is rapidly growing its remote support workforce. With a portfolio of digital subscription platforms, they are now hiring for **chat jobs remote** to support users with real-time, message-based assistance. These roles are ideal for people who want real work-from-home pay, no phone responsibilities, and a fully supported training experience.

Position Summary

Your responsibility will be to support users through live chat by resolving login issues, helping with order confirmations, issuing promo codes, and guiding users through self-service options. You'll follow detailed SOPs and use canned replies, with full documentation provided for every step.

Key Duties

- Manage multiple chats simultaneously via dashboard tools
- Use templated responses and internal documentation to resolve tickets
- Help customers update accounts, access training, or adjust subscriptions
- Accurately tag and escalate chats as needed
- Maintain tone and professionalism consistent with the brand

Why You'll Like This Job

- No voice or video—this is a 100% written communication role
- Real support work, not sales or outreach
- Flexible hours you select weekly
- Paid weekly with performance-based raises
- No experience needed to succeed

Minimum Requirements

- Laptop or desktop (tablets not recommended)
- Fast and stable internet (10 Mbps or better)
- Chrome browser installed
- Typing speed of 45+ WPM
- Proficient written English

Pay Breakdown & Scheduling Options

Start at \$25/hour

Increase to \$30–\$35/hour after 30 successful shifts with QA approval

Shifts are booked through a self-service portal. Options are available 24/7, including overnight and weekend hours. Minimum commitment: 15 hours/week.

Training Flow

- Complete a 2-hour virtual onboarding
- Practice simulated chats
- First real shift reviewed by QA team for feedback
- Paid shifts usually begin within 3–5 business days

Example Work Period

On a Friday shift from 8 AM to 2 PM, you handle support tickets for three users—one with a billing question, one requesting a temporary pause, and one with a login error. Everything is handled through chat, using built-in prompts and saved replies.

Testimonials from the Team

"I've done gig work and call centers—this is way more predictable. You actually feel supported." – *Denise F., New Orleans, LA*

"The training makes everything so clear. I didn't need a fancy resume or degree to get started." – *Farid N., Kuala Lumpur, MY*
