About the Company

A customer-focused digital wellness and subscription company is hiring for **customer support jobs remote evenings and weekends** to provide non-phone support during off-peak hours. These roles are perfect for people who need flexibility, want to avoid phone calls, and prefer working after traditional hours.

You'll provide support to users through live chat and email—answering questions about subscriptions, billing, and order tracking. Everything is done online. No video calls, no phone support, and no sales pressure.

Your Responsibilities

- Respond to live chat and email support tickets in real time
- Assist customers with account changes, password resets, discount usage, and deliveries
- Use internal tools, saved templates, and support macros to reply efficiently
- Escalate technical or account-related issues when needed
- Log interaction summaries and tag each ticket by issue type
- Maintain a helpful, calm, and professional tone in every message

Why This Role Is Ideal for Your Schedule

You searched for **customer support jobs remote evenings and weekends** because you want:

- The ability to work around a second job, family time, or school
- Peaceful, structured work you can do from your laptop
- Weekly pay and hourly stability without phone stress
- Entry-level opportunity that respects your time and energy

This job fits into your life—not the other way around.

What You'll Need to Start

- A desktop or laptop with Chrome browser
- Reliable internet connection (10 Mbps or faster)
- Typing speed of 45+ WPM
