Entry Level Remote Jobs No Experience – Live Chat Customer Support | \$25–\$35/hr | Fully Remote, Flexible Schedule

Description

Job Title: Entry-Level Live Chat Customer Support Representative
Compensation: \$25–\$35/hour
Location: Work from Anywhere – 100% Remote
Schedule: Flexible (5–40 hours/week)
Experience Required: None
Education Required: No degree required

Position Overview

A fast-growing eco-lifestyle subscription brand is expanding its remote customer service team and hiring for **entry level remote jobs no experience** to support its live chat operations. This role is designed for beginners who are ready to start a remote career but don't have formal experience or credentials. If you can type clearly, follow instructions, and work independently, you'll thrive in this role.

This is a 100% written communication position—no phone calls, no meetings, no video chats. All support is handled via live messaging platforms embedded on websites and social channels. Full training is provided.

What You'll Be Doing

As a **Live Chat Support Rep**, you'll help customers resolve issues, track orders, and make informed purchase decisions—all via chat.

Key Responsibilities:

- Respond to customer messages in real time on websites and social platforms
- Use pre-written scripts and templates to provide accurate, helpful answers
- Guide users through applying discounts, changing subscriptions, and checking delivery status
- Escalate complex or technical requests to senior staff
- Submit end-of-shift summaries and maintain accurate chat logs
- Uphold the company's friendly, professional tone throughout every interaction

Why This Role Is Great for Beginners

- You're actively searching for **entry level remote jobs with no experience required**

A Sample Work Session

You log into the support dashboard and review your queue. A customer is trying to switch products—you walk them through it using a template. Another asks about shipping delays—you confirm their tracking number and provide an update. After a few hours of back-to-back chats, you submit a simple shift report and log out. All communication was written—no interruptions, no stress.

What Team Members Say
