Entry-Level Online Sales Funnel Consultant | Work Any Location

Description

Searching for a remote job with no experience or degree required that actually teaches you high-income skills? This work-from-anywhere opportunity walks you through how to build and manage automated sales funnels—even if you've never touched marketing software in your life.

About This Role

This entry-level role is designed for beginners who want to break into the world of remote work, digital marketing, and sales automation. As a Remote Sales Funnel Consultant, you'll learn exactly how to use CRM platforms, automation tools, and plug-and-play funnel templates to help businesses attract and convert leads—without cold calling or tech overwhelm. You'll get access to a proven training challenge that shows you how to build systems that do the heavy lifting for you, so you can offer valuable services from anywhere in the world.

Key Responsibilities

Funnel Building & Workflow Management

- Follow step-by-step instructions to launch high-converting lead funnels
- Use drag-and-drop tools to customize templates for various business types
- Integrate basic automations for lead capture, appointment booking, and follow-up

Learn as You Go

- Start with a 5-Day Sales Funnel Training Challenge designed for total beginners
- Learn real-world applications of CRM systems, landing pages, and email workflows
- Apply your knowledge in a simulated environment before offering services

- Apply for remote CRM or digital marketing roles with portfolio samples

- Continue developing your own brand, niche, or offer using the systems you learned

Frequently Asked Questions

Do I need marketing or tech experience?

Not at all. The training is built for beginners and uses simple, drag-and-drop tools.

Will I need to work with clients right away?

No. You'll go through the training first, build your confidence and portfolio, and then choose when and how to work with others.

Is this a job or a training opportunity?

It's a hybrid. You start with a short training challenge, then have the option to offer real services or apply for roles with your new skill set.

How soon can I start?

Right away. Once you click the "Learn More" button, you'll get immediate access to the challenge and support group.

Can I do this on the side of my current job?

Yes. Most people complete the training in just 1–2 hours per day. It's fully flexible.

Why This Opportunity is Perfect for You

This is your chance to build a real, transferable digital skill without spending years in school or thousands on courses. If you've been Googling "work from home jobs no experience" or "how to earn from home without a degree," this is your answer. You'll gain tools, training, and clarity on how to build automated systems that work while you sleep. No selling required. No tech overwhelm. Just a clear path forward.

How to Apply

Click the "Learn More" button to get started with the 5-Day Sales Funnel Challenge. This is your first step to becoming a Remote Sales Funnel Consultant, even if you've never worked online before. All training, templates, and tools are included. No degree or experience required.
