**APPLY NOW**

Entry-Level Remote Work Positions | \$25-\$35/Hour  
Online Chat Support – No Prior Experience? No Problem.

#### Description

### Start Your Remote Career from Scratch – Get Paid to Work from Home Without a Background in Tech or Customer Service

Looking for **entry-level work from home jobs** that actually mean it? Tired of seeing listings that claim to be “beginner-friendly” but still want three years of experience and a communications degree? You’re not alone. That’s why we created this opportunity for **real beginners** who want to get started in remote work, get trained on the job, and earn **\$25-\$35/hour** doing focused, professional chat-based support.

### What This Role Really Is

You’ll be working as a **Remote Chat Support Agent**, responding to customers through live chat. You’ll never get on the phone. You’ll never be expected to handle dozens of tools or sell products. Instead, you’ll use a simple support dashboard, follow easy workflows, and help customers with things like:

- Password resets
- Subscription updates
- Account verification
- Order status tracking
- Basic troubleshooting

You’ll receive **step-by-step training**, ongoing team support, and regular feedback to make sure you’re confident in every shift.

### Your Core Responsibilities

- Log into your shift dashboard and respond to incoming chats

#### Hiring organization

Remote Customer Service Jobs No Degree

#### Employment Type

Full-time

#### Industry

Customer Service

#### Job Location

Remote work from: United States

#### Base Salary

\$ 25 - \$ 35

#### Date posted

April 29, 2026

#### Valid through

01.01.2029

- Use prewritten responses and help docs to guide customers
- Keep notes on each chat for handoffs or follow-ups
- Escalate anything that's beyond your scope
- Handle multiple conversations at once while keeping calm and clear

## Who Should Apply

This is a great role for:

- Job seekers with no remote work background
- College students, parents, or caregivers who need flexible hours
- Workers transitioning out of in-person or hourly jobs
- People with strong writing skills and a desire to learn
- Anyone who's never had a shot at a remote role—and is ready now

## What You Don't Need

- Previous customer support experience
- A college degree or certificate
- Any phone interaction (this is chat-only)
- A perfect résumé—this is truly entry-level
- To work full-time—we welcome part-time applicants too

## What You Do Need

- A computer (Mac or PC)
- A stable internet connection (10 Mbps or faster)
- Typing speed of 40 WPM
- Solid written English and grammar
- 15–40 hours of availability each week
- The ability to focus independently without constant supervision

## Compensation & Benefits

- \$25/hour base pay

- Up to \$35/hour for high performers and overnight/weekend shifts
- Paid training with full support
- Biweekly direct deposit
- Schedule your own hours—day, night, or weekend blocks
- Optional health, dental, and vision coverage for full-time team members
- Promotions available after 60 days based on performance

## A Typical Day

You clock in from your living room, open your dashboard, and start your first chat. A user wants to pause their subscription—you send the right link and confirm the update. Next, someone needs a password reset—you follow the standard process and solve it in under two minutes. You handle 2–3 chats at once with ease, take your scheduled break, and log out after a smooth, quiet shift. All from home. All without touching a phone.

## What You'll Learn on the Job

- How to deliver professional digital communication
- How to manage time and multitask in a remote environment
- How to use customer support tools like Zendesk and Intercom
- How to follow workflows and identify when to escalate issues
- How to be independent, organized, and focused while working remotely

## What Other Agents Say

*"I had zero experience, but they hired me fast and trained me even faster. I've been promoted twice and now coach other new hires."* – Mia L., Washington

*"This was the first job that actually gave me a shot with no background. I went from retail to remote and never looked back."* – Justin M., Illinois

## FAQs

### **Q: Is this really entry-level?**

Yes. We built this role for people with no prior experience. If you can type clearly and stay focused, you can do this.

### **Q: Do I have to be on the phone?**

Never. This is a written-only chat support job.

### **Q: What if I've never worked online before?**

Perfect. We'll walk you through everything during paid onboarding.

### **Q: Can I work around my other responsibilities?**

Absolutely. We offer flexible scheduling and allow you to pick your shifts weekly.

## Apply Now

You don't need a background in tech, customer service, or corporate lingo. You just need a willingness to show up, learn, and help people. **Click the Apply Now button** to start your application and begin your journey toward earning **\$25–\$35/hour** from the comfort of home—with a remote job that was actually made for beginners like you.
