Facebook Content Creator – Work from Home | No Degree or Experience Required

Description

Position Summary

The Facebook Content Creator position is a fully remote opportunity designed for anyone who wants to earn consistent online income by posting pre-made videos — no filming, editing, or on-camera work required. You'll receive a library of short, viral-style Facebook Reels that are already optimized for engagement and conversions. Each video contains your personal link to a \$47 digital course, and every sale through your link pays you the full \$47 instantly. No commissions, delays, or technical setup. If you can upload a video, you can succeed in this role.

About the Role

As a Facebook Content Creator, your primary job is to post high-performing short videos to Facebook Reels. Facebook's algorithm heavily favors Reels right now, giving even brand-new accounts the ability to reach thousands of viewers without spending a dime on ads. With this system, you'll be able to take advantage of that reach immediately — no experience or followers needed.

You'll receive everything pre-built, including:

- 500+ pre-made short videos formatted for Facebook Reels
- Ready-to-use captions, hashtags, and post templates
- A done-for-you website that automatically tracks and fulfills your sales
- A simple 1-hour setup process with full video walkthroughs
- Personalized WhatsApp mentorship to help you make your first 50 sales

Once you launch, your only responsibility is to post videos consistently and watch your dashboard grow.

Key Responsibilities

1. Upload Pre-Made Videos Daily

Post 2–3 short videos each day. Every video is edited, formatted, and captioned for maximum visibility.

2. Use the Provided Captions and Hashtags

Simply copy and paste captions designed to attract engagement and drive traffic to your link.

3. Track Performance

Check your dashboard to see video views, clicks, and completed \$47 sales.
