Faceless Video Content Manager – Remote Position | Worldwide

Description

Position Summary

The Faceless Video Content Manager role is a global, fully remote opportunity that allows you to earn steady online income by managing and uploading pre-made short-form videos on platforms like TikTok, YouTube Shorts, Facebook Reels, and Instagram. You don't need to appear on camera, have editing experience, or know how to market — everything is prebuilt. Every time a viewer purchases the digital product featured on your page, you earn a **\$47 instant payout**, sent directly to your PayPal or bank account.

This role is ideal for individuals who want to make money online without being influencers or spending months learning complicated skills. With done-for-you systems, anonymous content, and 24/7 automation, all you have to do is post and profit.

About the Role

As a Faceless Video Content Manager, your primary task is to post pre-created, high-converting videos daily to multiple social platforms. These short videos — designed to attract attention and drive clicks — are linked to your personalized digital storefront. You don't have to handle customer service, technical setup, or refunds. Your only job is to upload the videos provided and maintain a consistent posting routine.

Your account setup includes:

- 500+ ready-to-post viral short videos (no editing or filming required)
- A fully automated digital storefront with your payout link embedded
- SEO-optimized captions, hashtags, and descriptions for every clip
- Step-by-step training to go live within 60 minutes
- 30-day WhatsApp mentorship to help you achieve your first 50 sales

This role blends the simplicity of short-form video posting with the scalability of digital automation. If you can copy, paste, and upload — you can do this job.

Key Responsibilities

- 1. Manage Video Posting:** Upload or schedule 2–3 short videos per day using the provided content library.
- 2. Optimize Captions:** Use prewritten, keyword-optimized descriptions for each post.
- 3. Monitor Performance:** Check analytics and payouts in your real-time
