Description

Position Summary

The Faceless YouTube Assistant position is a fully remote opportunity that allows you to earn daily income by managing and posting short pre-made videos on YouTube. This is a beginner-friendly role built for people who want to start making money online quickly and sustainably.

About the Role

YouTube Shorts has become the fastest-growing form of video content in the world, with billions of daily views. This opportunity lets you tap into that traffic using a done-for-you system. You'll receive:

- 500+ short videos optimized for YouTube Shorts
- A ready-to-use website and automated sales page
- Copy-paste captions, hashtags, and posting instructions

- Step-by-step training (under 1 hour setup time)
- 30-day WhatsApp mentorship for your first 50 sales

Your only responsibility is to upload videos consistently and let the system handle the rest.
