## Instagram Reels Strategist – Remote Position | No Degree or Experience Required

### Description

#### Position Summary

The Instagram Reels Strategist role is a remote, entry-level position designed for individuals who want to earn consistent income online through short-form content — without filming, editing, or showing their face. Every video, caption, and post template is pre-made for you. Your only task is to upload the provided Reels on Instagram, using the step-by-step system included. Each video links to a \$47 digital course, and every sale you generate pays you the full \$47 directly. No commissions, delays, or complicated tech setup. You can start today and begin seeing results within days.

### About the Role

Instagram’s algorithm heavily promotes Reels, allowing even new accounts to gain thousands of views without followers or ads. This position lets you capitalize on that visibility using pre-tested Reels that are already proven to convert. You won’t need to build a brand, speak on camera, or learn social media marketing — all assets are prepared and ready to post.

You’ll receive:

- 500+ optimized Reels tailored for Instagram growth
- Pre-written captions, trending hashtags, and post schedules
- A fully automated website connected to your payment link
- Step-by-step onboarding and launch tutorial (under 1 hour)
- 30 days of dedicated WhatsApp mentorship to help you reach your first 50 sales

Once you launch, your videos can continue generating views and sales on autopilot — even while you sleep.

### Key Responsibilities

#### 1. Upload Pre-Made Reels Daily

Select and post 2–3 videos from your provided content library each day. All Reels are ready to upload and formatted for Instagram.

#### 2. Add Captions and Hashtags

Copy and paste the provided captions and hashtags to ensure your posts reach the right audience segments.

#### 3. Track Analytics and Sales
