Opportunities Near Me Online No Prior Experience | \$25-\$35/Hour Digital Chat Customer Service - Remote Work with Zero Experience

Description

Looking for Remote Jobs Near You Without Any Experience? We'll Train You.

No résumé? No past jobs? No problem. If you've ever typed a text, written an email, or helped someone solve a basic problem—you've got the foundation for this role. We're hiring **Remote Live Chat Support Agents** who want to work from home, earn **\$25-\$35 an hour**, and don't have any previous job experience. No degree, no customer service background, no certifications required. Just bring your focus, reliability, and a willingness to learn. This job is remote, but we prioritize applicants looking for **legit jobs "near me"** that provide flexibility and fair pay—wherever you live.

Position Overview

Your job is simple: respond to customer messages through a live chat platform. You'll help them reset passwords, look up orders, answer billing questions, and guide them to the right solutions using scripts, help articles, and templates. You'll do all of this through text—no phones, no video, no in-person interaction.

Daily Responsibilities

- Start your shift and open the chat queue
- Respond to real-time questions from customers using approved responses
- Use tools and shortcuts to track orders, verify accounts, or help with troubleshooting
- Multitask between multiple chats during busy times
- Take notes and log outcomes in the chat system
- Escalate issues that need higher-level attention to team leads

You're a Great Fit If...

- You've never worked in an office but you're organized and detail-oriented
- You're used to helping people—family, friends, classmates—and you enjoy it
- You can type fast and keep your cool while multitasking
- You live in a small town or suburb and want a real job without commuting
- You're a student, stay-at-home parent, or new grad looking for flexible, steady pay
- You want a foot in the door to remote work but don't know where to start
