Company Overview

A global leader in subscription-based online education platforms is expanding its remote support workforce. The company is currently offering **live chat support jobs** to help customers with login issues, payment questions, and basic platform navigation—all through an internal chat interface. These are real, entry-level jobs with zero phone interaction, no cold outreach, and guaranteed weekly pay.

About the Role

As a Live Chat Support Specialist, your role is to provide high-quality, responsive support to users through real-time chat. Whether it's walking someone through resetting a password, helping them apply a discount, or locating an invoice, your job is to guide them to the solution using structured responses and built-in workflows.

Primary Responsibilities

- Handle inbound chat messages using a secure ticket system
- Resolve user questions about subscriptions, payments, and account access
- Follow scripts and SOPs to maintain accuracy and tone
- Tag conversations for QA and escalation when necessary
- Stay focused and productive throughout scheduled shifts

Why This Is a Fit for You

- 100% written communication—no talking, no video calls
- Flexible shifts work around your schedule
- Weekly pay without delays
- Full training provided, even if you've never worked in support before
- No quotas, no upselling, no cold contacts

Tech & Skills Requirements

- Laptop or desktop (Windows or Mac)
- Google Chrome browser
- Reliable internet (10 Mbps or faster)
- Typing speed of 45 WPM or more
- Good written communication in English

Voices from the Team

"This is the first work-from-home job that actually pays well and respects your time. No pressure—just help people and go." - *Selina H., Orlando, FL*

"I was skeptical at first, but I've been getting paid every Friday and haven't had to speak out loud once." - *Markus D., Berlin, DE*

FAQs

Do I need to speak to customers on the phone?

No. All communication is through chat only.

Is this open to international applicants?

Yes. As long as your English writing is clear and your internet is stable, you're good to go.

Do I need customer service experience?

Not at all. The platform is beginner-friendly and training is included.
