## Live Customer Service Representative – Entry Level Remote Jobs No Experience

### Description

**Company:** ProSupport Solutions  
**Location:** Remote (United States)  
**Compensation:** \$25-35/hour  
**Schedule:** 5-40 hours weekly  
**Experience Required:** None

### Professional Opportunity in Live Customer Service

ProSupport Solutions seeks qualified candidates for **entry level remote jobs no experience** required in our expanding live customer service department. This position offers structured career development within the growing digital customer service sector.

### Live Customer Service Role Overview

Live customer service professionals manage real-time customer communications through digital platforms. This role involves responding to customer inquiries via website chat systems and social media channels, providing immediate assistance that enhances customer satisfaction and supports business objectives.

### Primary Live Customer Service Responsibilities

**Website Customer Communication** Execute live customer service functions through business website chat interfaces. Responsibilities include responding to product inquiries, providing technical assistance, and facilitating customer purchase decisions through professional live customer service interactions.

**Social Media Customer Support** Deliver live customer service across multiple social media platforms including Facebook, Instagram, and Twitter. Maintain brand standards while addressing customer concerns through timely live customer service responses.

**Sales Support Activities** Integrate sales assistance into live customer service conversations by sharing product information, applying promotional codes, and directing customers to appropriate purchasing channels based on their expressed needs.
