Non Phone Remote Jobs \$25-35/Hour – Live Customer Service (No Experience Needed)

Description

Company: TextConnect Customer Solutions

Position: Live Customer Service Chat Specialist

Pay Rate: \$25-35/hour + performance bonuses

Schedule: 5-40 hours/week (completely flexible)

Work Style: 100% Text-Based (No phone calls!)

Location: Remote (US candidates only)

Experience: None required – we train everything!

Perfect Non Phone Remote Jobs for Text-Based Professionals

Hate talking on the phone? Love these non phone remote jobs that use only text-based communication! Our live customer service positions involve zero phone calls – just professional written communication through website chat and social media platforms at \$25-35/hour.

TextConnect Customer Solutions specializes in non phone remote jobs that maximize your strengths in written communication. If you're someone who expresses yourself better through writing than speaking, or simply prefers the clarity and control of text-based interactions, these positions are designed specifically for your communication style.

Our live customer service specialists handle all customer interactions through typing – website live chat, social media messaging, and text-based support channels. Help customers find products, resolve issues, and make purchasing decisions through clear, helpful written communication that builds relationships and drives business success.

These non phone remote jobs are perfect for introverts, people with speech differences, parents who need quiet work environments, or anyone who simply prefers professional text communication over phone conversations.

Text-Only Live Customer Service Excellence

Website Chat Mastery (100% Written)

Engage with website visitors through live chat systems using only professional written communication. Master the art of helpful, persuasive text-based customer service that converts browsers into buyers without ever picking up a phone.
