Position Overview

A global personal wellness company is hiring for **Paying Social Media Jobs** that focus entirely on live chat—not content creation, not outreach, not posting. If you're tired of seeing "social media jobs" that are really unpaid internships, commission gigs, or influencer marketing scams, this is a real job with real pay.

As a live chat support agent, you'll be responding to customer messages sent via Facebook, Instagram, and on-site chat widgets. You'll use guided templates, a smart response dashboard, and no voice communication—just quick, structured, written support that helps real customers complete real orders.

What You'll Be Doing

Your day will be built around helping customers navigate the brand's social channels and store via text-based tools.

Core Tasks Include:

- Responding to DMs and live chats about product recommendations, orders, and shipping
- Using approved response templates to maintain tone, clarity, and accuracy
- Personalizing answers for better customer outcomes
- Tagging common message types and logging support issues
- Submitting a quick end-of-shift report for quality control

Why It's Actually a Paying Job (Unlike Most Social Media Listings)
