### About the Company

An international digital training provider serving online entrepreneurs and small businesses is expanding its 24/7 customer experience team. With thousands of active users, the company is now hiring for **remote chat jobs** to help manage growing support needs during all hours of the day—through chat only. There are no phone calls, Zoom meetings, or sales pitches—just structured, text-based support in a quiet, remote work environment.

### About the Position

As a Remote Chat Support Specialist, you'll manage incoming messages from users who need help accessing content, redeeming promo offers, resolving billing issues, or navigating their member dashboard. All tools, scripts, and workflows are provided—no guesswork or cold outreach required.

### Key Responsibilities

- Manage live chats through an internal dashboard system
- Use prewritten scripts and SOPs to respond to common user issues
- Resolve login problems, update user account details, and apply discounts
- Document each interaction and escalate complex issues when necessary
- Maintain a helpful and friendly tone with all written communication

### Why This Remote Job Is Different

- 100% text-based communication—no talking required
- You choose your hours based on availability
- Get paid weekly through direct deposit
- Full training and QA support provided
- Zero upselling, zero outreach, zero pressure

### Requirements

- Desktop or laptop (no tablets) with up-to-date browser
- Reliable high-speed internet (10 Mbps minimum)
- Typing speed of 45+ WPM
- Strong written English skills and attention to detail
- Focused, self-directed work style
