## Online Client Acquisition Expert | Remote Work | Training Available

### Description

Looking for a work-from-home job with no experience or degree required? This entry-level remote role teaches you everything from scratch—no tech background, no cold calling, just a step-by-step training that helps you land clients and earn commissions from anywhere.

### About This Role

Looking to break into remote sales with no degree, no experience, and zero tech background? You're in the right place. This is not your typical sales job—it's a launchpad into the world of client acquisition, high-ticket offers, and digital automation. Whether you're fresh out of high school, burnt out in your current role, or just craving the ability to work from home and finally build real income online, we've got a path for you. As a Remote Client Acquisition Specialist, you'll be equipped with world-class tools, proven systems, and a step-by-step training challenge that walks you through everything—even if you're starting from scratch.

### Key Responsibilities

#### Client Prospecting & Outreach

- Use our proven scripts to engage warm leads via DM, email, and social channels
- Set appointments using prebuilt funnels and outreach sequences
- Leverage automation tools to manage pipeline and follow-ups

#### Learn While You Earn

- Participate in a 5-Day Remote Client Acquisition Challenge (provided at no cost)
- Implement what you learn in real time to start attracting and closing clients
- Build your first repeatable sales system without needing tech skills or sales experience

## Frequently Asked Questions

### Do I need sales experience to apply?

No. This is built for total beginners. The training will walk you through everything step-by-step.

### Will I be selling anything right away?

You'll learn how to sell through the challenge first. Once you're confident, you can choose to start freelancing, launching your own offer, or partnering with agencies who need closers.

### Is this a job or a training program?

It's both. We connect you with the exact free onboarding challenge that teaches you everything, and then show you how to start closing deals from home.

### How soon can I start?

You can start immediately. As soon as you click the "Learn More" button, you'll get access to your step-by-step onboarding.

### Can I do this part-time?

Yes. Many start this while working another job, then scale it once they start earning.

## Why This Opportunity is Perfect for You

You're not here for another dead-end job. You want freedom, flexibility, and a proven way to generate income from home without begging for work or clocking into a boss's schedule. This is your shot. Learn a skill that's in-demand, automation-friendly, and scalable—and start turning conversations into commissions without needing a degree or experience. Start now.

## How to Apply

Click the "Learn More" button to get started with the 5-Day Client Acquisition Challenge. This is your first step to learning how to land clients and close deals remotely—even if you've never done anything like this before. All training and tools are included. No experience or degree required.
