# Content Strategist – Remote – Entry Level Kindle Publishing Support – No Degree Needed

### Description

#### Position Summary

Our client, a leading nonfiction Kindle publishing firm, is hiring remote content strategists to join their growing team of book production specialists. This is a structured, process-driven role ideal for individuals with an interest in digital publishing, AI-assisted writing, and market-driven content development. As a remote content strategist, you'll help shape the direction of upcoming Kindle books, using research tools and editorial frameworks to outline and prepare nonfiction titles for production. You do not need a degree or prior writing experience—comprehensive training and resources are provided. This role supports the broader book development team and is perfect for self-starters eager to break into publishing without navigating the uncertainty of freelance gig platforms.

#### About the Client

Our client is a globally distributed publishing company focused exclusively on creating high-impact nonfiction Kindle books across popular evergreen niches like productivity, personal finance, relationships, and entrepreneurship. Their success lies in repeatable systems powered by niche research, AI writing tools, and formatting workflows. With over 1,000 titles published and an expanding content team, they offer entry-level remote opportunities that teach digital publishing from the ground up.

#### Key Responsibilities

As a remote content strategist, your primary role is to develop structured outlines and content briefs for nonfiction books. Your responsibilities include:

- Conducting topic validation using Amazon keyword tools and category research
- Creating chapter-by-chapter outlines using provided templates
- Researching supporting material to enrich each chapter (quotes, subtopics, examples)
- Coordinating with AI writers or internal assistants to generate initial chapter content
- Reviewing outlines to ensure logic, clarity, and content flow
- Submitting completed content strategy packets to the editorial team for production

You'll work closely with project managers who assign topics and guide the structure of each title. There's no cold outreach, selling, or pitching involved. All assignments are managed in a remote work portal with a simple task queue and weekly payouts.

#### A Day in the Life

- Morning: Check project portal and accept new book assignment
- Midday: Research the topic using tools provided (Amazon search, Google Trends,

### **FAQs**

#### **Is this a full-time job?**

No, this is a freelance-style position with flexible hours. You can accept as many or as few projects as you'd like.

#### **How is this different from freelance writing?**

You'll focus on planning content, not writing it line by line. This is a behind-the-scenes role critical to the success of each book, but it doesn't involve drafting chapters.

#### **Can I apply without any writing samples?**

Yes. Your application includes a short outline assignment to demonstrate your ability to follow a structure.

#### **How long does each project take?**

On average, strategists spend 4–6 hours per outline. This may vary based on your experience and familiarity with the topic.

#### **Is this opportunity open internationally?**

Yes, the role is 100% remote and open to applicants worldwide who are fluent in

written English.

### **What kind of books will I work on?**

Topics vary but include common Amazon Kindle niches such as productivity, business, parenting, emotional wellness, and life skills.

### **Why This Role Is Unique**

Most entry-level writing jobs are inconsistent, low-paid, or require constant client chasing. This role is different. It's structured, professional, and scalable. You'll build publishing experience while learning industry-standard frameworks. Plus, you get to work in a creative yet process-driven environment with zero guesswork or selling involved.

### **How to Apply**

Click the application link to begin your submission. You'll receive onboarding materials and a sample assignment to determine your fit. No resume or degree is required. Once approved, you'll gain access to the project portal and be eligible for immediate assignments.

### **Why This Position Stands Out for Entry-Level Applicants**

This is not a blogging gig, nor a ghostwriting assignment. It's a real publishing support role that prepares nonfiction books for mass release. You'll learn how bestselling Kindle books are built, what topics readers are buying, and how to plan content at scale using proven systems. It's an excellent fit for anyone seeking:

- Remote jobs with no degree required
- Structured freelance work with reliable payments
- Entry into the digital publishing and Kindle ecosystem
- A portfolio of real-world publishing contributions
- The ability to build income without writing full-length books

If you're detail-oriented, process-minded, and curious about online publishing, this entry-level content strategy role offers a smart way to break into the Kindle world. Apply today and start shaping tomorrow's bestselling nonfiction books—one outline at a time.
