Description

Employer: Digital Customer Solutions LLC
Position: Live Customer Service Representative
Employment Type: Independent Contractor
Location: Remote Work (United States)
Compensation: \$25-35 per hour
Hours: 5-40 hours per week

JOB DESCRIPTION

Digital Customer Solutions LLC seeks qualified candidates for remote customer service jobs providing live customer service support through website chat systems and social media platforms. This position offers competitive hourly compensation with flexible scheduling for individuals seeking remote customer service jobs without prior experience requirements.

Live customer service representatives respond to customer inquiries, provide product information, assist with purchases, and resolve customer concerns through digital communication channels. Remote customer service jobs at our company focus on delivering exceptional customer experiences while supporting sales objectives through professional service delivery.

Successful candidates for remote customer service jobs will demonstrate strong written communication skills, reliable availability, and commitment to customer satisfaction excellence. Live customer service training provided to ensure proficiency with all required platforms and procedures.

ESSENTIAL JOB FUNCTIONS

Customer Communication Management Monitor and respond to customer inquiries through website live chat systems within established response time parameters. Remote customer service jobs require prompt, professional responses that address customer needs and resolve issues efficiently.

Manage customer interactions across multiple social media platforms including Facebook, Instagram, Twitter, and LinkedIn for comprehensive live customer service coverage. Remote customer service jobs involve maintaining consistent brand voice and professional standards across all communication channels.

Provide accurate product information, pricing details, and availability updates through live customer service interactions. Remote customer service jobs require
