Online Data Tagging & Content Support | $25–$35/hr | No Prior Experience Required – Overnight Work Available

Description

Job Title: Remote Content Support Assistant (Overnight Option)
Pay Range: $25–$35/hour
Work Location: Remote – Open Internationally
Hours: 15–30 per week, overnight shifts available
Experience: Not required
Education: No degree necessary

Overview

Our client is onboarding new **Remote Assistants** to support their overnight content and data review operations. If you've been searching for "**work from home night jobs**" and want a quiet, flexible job you can do after hours, this opportunity offers professional pay, training, and consistency—all without a commute or phone calls.

You'll complete simple, repeatable online tasks with written instructions. All work is submitted via dashboards or shared drives. This position is 100% asynchronous, so you'll never be on calls or required to overlap with a team.

Responsibilities

You'll be assigned a task track that matches your timezone and overnight availability. Tasks are reviewed for clarity and volume before being assigned and may include:

- Reviewing flagged comments, videos, or posts submitted during the day

- Tagging and organizing digital assets based on category or content

- Formatting documents and updating online libraries

- Editing product listings for spelling, layout, or accuracy

- Preparing task summaries or log entries for the morning shift

- Spot-checking automated tags and fixing inconsistencies

- Those wanting a calm, structured environment without phones or meetings

Requirements

- Laptop or desktop computer

- Internet connection (10 Mbps minimum)

- Typing speed: 40+ words per minute

- Basic English reading and writing proficiency

- Nighttime availability between 8 PM – 6 AM in your local time zone

- Ability to follow step-by-step written guides and work independently

Compensation & Structure

- Hourly rate: **$25–$35/hour**

- Weekly or biweekly payment via PayPal, Wise, or direct bank transfer

- Paid onboarding (self-paced and remote)

- Flexible scheduling: choose the days and hours that work best for you

- Bonus pay for high-volume weekends or holidays

- Option to move into quality assurance or shift lead roles

A Sample Shift

You begin work at 10 PM, moderate 30 flagged posts from a content queue, and tag 50 image files uploaded earlier that day. You then edit and format a client-facing spreadsheet, submit your report for the next shift, and wrap up around 2 AM—all with no meetings, calls, or live check-ins.

What Team Members Say

"I needed something quiet and structured that worked around my daytime schedule. Working at night from home lets me earn without stress." – Bryce T., Canada

"I love being productive at night while most jobs are offline. This gave me meaningful work I could do solo, and the pay is great." – Naya R., Philippines
