Online eBook Formatting Expert - No Prior Experience Needed

Description

Position Summary:

If you have a knack for organization, enjoy working independently, and are looking for a flexible online job with zero prior experience required, this opportunity may be perfect for you. Our client, a growing nonfiction publishing brand specializing in Kindle eBooks, is hiring Remote eBook Formatting Specialists to prepare nonfiction manuscripts for digital publication using guided systems and templates.

Instead, it's a structured workflow role where you'll organize, format, and finalize nonfiction content using Kindle-optimized templates, AI-generated drafts, and easy-to-follow publishing checklists. All training is included, and no degree, portfolio, or experience is required to get started.

Key Responsibilities:

1. Content Formatting and Layout

- Transfer finalized text into Kindle manuscript templates
- Apply heading styles, spacing, and alignment standards

- Ensure formatting readability for mobile and eReader devices

2. Final Manuscript Assembly

- Use AI-generated drafts to populate manuscript sections
- Follow a structured outline and apply editorial consistency
- Clean up visual structure and verify proper layout in preview mode

3. Product Listing Metadata

- Use copy swipe files to insert book titles, subtitles, and benefit-driven descriptions
- Assign backend keywords and categories for Amazon discoverability
- Ensure metadata accuracy and consistency
