Description

Job Title: Remote Live Chat Support Representative (No Experience Required)

Compensation: \$25-\$35/hour

Location: Remote – Hiring Nationwide and Internationally

Schedule: Flexible Shifts (15-40 hrs/week)

Experience Required: None

Education Required: No degree needed

Position Overview

A high-volume eCommerce brand in the wellness and personal care space is currently onboarding support staff for **Remote Jobs Near Me With No Experience Required**. While many job seekers search locally, this opportunity combines the comfort of working from home with a role designed for entry-level applicants—wherever you're located.

You'll assist online shoppers via live chat, answering questions, guiding them through product selections, and resolving checkout issues. This job offers reliable hourly pay, real training, and no phones or live meetings—just you, your keyboard, and a focused support dashboard.

Key Responsibilities

You'll interact with customers through real-time chat conversations on the company's website and connected platforms like Instagram Messenger.

Your Tasks Will Include:

- Answering product and order-related inquiries using live chat
- Guiding users to bundle offers, discounts, and tracking updates
- Logging messages and tagging issues for follow-up
- Following conversation flows based on proven scripts
- Summarizing each shift with short, written recaps

This is not a phone job or a sales role—just helpful, efficient online communication.

Why It's Great for Local and First-Time Remote Job Seekers

- You're searching for **remote jobs near you** but need something accessible with

A Typical Shift

You start your shift at 11 AM, respond to a customer asking about the latest product release and help them find a bundle that fits their needs. Another shopper needs help with a tracking number—you quickly verify the order and provide an update. You resolve 20 chats before 3 PM, submit your session summary, and end your workday without stress or calls.

Team Voices

"I was skeptical about remote jobs until I found this. The shift system is reliable, and I actually like the structure." - Lana M., Texas

"I applied thinking it was too good to be true, but they trained me fast, and I've been getting steady pay ever since." - Arjun S., India
