About the Company

A fast-growing digital brand in the customer engagement software industry is expanding its global support network. With a strong reputation for accessible tools and education for small businesses, the company is actively hiring for **remote jobs no experience no degree** focused on chat-based support roles. These are fully remote, structured positions built to accommodate new entrants into the remote workforce.

Position Overview

As a Chat Support Representative, you'll provide messaging-based assistance to users who need help navigating their account settings, applying discount codes, and resolving billing issues. All interactions are through live chat and email—no phone support or outbound communication is involved. Every reply you send will be guided by structured templates and internal documentation.

Responsibilities

- Answer live chat inquiries through a secure messaging dashboard
- Help users reset passwords, cancel subscriptions, and apply coupons
- Follow workflows and templated scripts to guide each conversation
- Accurately tag tickets and escalate when necessary
- Maintain consistency and brand voice in all written support

Why This Role Works Without a Resume

- No phone calls, video calls, or sales required
- Clear training makes it easy to onboard quickly
- Work from anywhere with just a laptop and Wi-Fi
- Structured replies mean you're never left guessing
- Set your own schedule each week

Basic Tools & Tech Requirements

- Laptop or desktop computer with Google Chrome installed
- Stable internet connection (10 Mbps or faster)
- Typing speed of 45 WPM or higher
- Strong grammar and attention to clarity
