Remote Jobs No Experience No Degree – Live Chat Customer Support | \$25–\$35/hr | Fully Remote, Flexible Hours

Description

Job Title: Live Chat Customer Support (Entry-Level, No Degree Required)
Compensation: \$25–\$35/hour
Location: Work from Anywhere – 100% Remote
Schedule: Flexible (5–40 hours/week)
Experience Required: None
Education Required: No degree required

Position Overview

A fast-growing global eCommerce accessories brand is expanding its 24/7 customer support operation and hiring entry-level **Live Chat Customer Support** representatives to assist online customers. This is an ideal opportunity for those searching for **remote jobs no experience no degree** who want to break into remote work without phone calls, meetings, or complex onboarding.

You'll use your written communication skills to help customers place orders, track packages, apply discounts, and navigate product options—all via live chat. No experience? No problem. All training is provided, and your only tools are your keyboard, templates, and clear instructions.

What You'll Be Doing

You'll be responsible for handling real-time customer support conversations through live chat tools on the company's website and social media platforms.

Key Responsibilities:

- Respond to customer inquiries using brand-approved chat templates
- Guide users through the order process or resolve account-related concerns
- Share discounts, recommend product bundles, and answer FAQs
- Escalate technical or payment issues to team leads when necessary
- Submit brief summaries of completed chats after each shift
- Maintain a friendly, helpful tone in all written communication

Why This Role Works for Beginners

- You're looking for **remote jobs that don't require a degree or prior experience**

- Paid onboarding and training (completed remotely)
- Flexible scheduling—select daytime, evening, or weekend shifts
- No phone or video calls—fully chat-based
- Advancement opportunities after 30–60 days of consistent work

A Typical Work Session

You start your shift by logging into the live chat console. Your dashboard populates with customer questions: one user needs help with a tracking number, another wants to know which product is best for a gift. You use quick templates and follow-up links to help them. After 3–4 hours, you wrap up with a brief shift report and log out—no meetings, no calls, no stress.
