Position Summary

Looking for **remote live chat support jobs entry level** that feel like a real career opportunity—not a gig? This fast-growing eLearning and digital subscription company is hiring entry-level chat associates to help users with everyday questions via live chat. No phone calls. No experience required. Just real work you can do from anywhere.

You'll chat with customers through a browser-based platform, guiding them through logins, billing issues, product access, and FAQs. Everything you need—scripts, templates, and training—is provided. All you bring is a laptop, internet, and the ability to write clear responses.

Key Responsibilities

- Handle inbound customer questions via live chat (no phone required)
- Help users reset passwords, locate product features, and manage subscriptions
- Use templates and knowledge base articles to respond quickly and accurately
- Document resolved chats and tag each case properly
- Escalate technical problems or billing disputes to senior support
- Stay calm, helpful, and professional while managing multiple conversations

Why You'll Love This Job

- **No phones. Ever.** All communication is typed, quiet, and structured
- **No experience needed.** We train you from Day 1
- **Work on your schedule.** Pick the shifts that match your life
- **Get paid weekly.** Hourly compensation for real hours worked
- **Build remote experience.** Start your customer support career in a legit way

Basic Requirements

- A working computer or laptop with Chrome browser
- Reliable internet connection (10 Mbps or faster)
- Typing speed of 45 WPM
- Good written English and attention to detail
- Comfortable working independently and following workflows
