About the Company

An international SaaS company specializing in digital customer experiences is expanding its 24/7 remote support division. As user traffic increases during off-peak hours, they are actively hiring for **remote night jobs** focused exclusively on live chat support. This team helps maintain customer satisfaction after traditional business hours by delivering timely, accurate support through chat-based systems—no phone work, video calls, or outbound messaging.

Position Overview

You'll be part of a dedicated night shift support crew handling user inquiries ranging from account access to promotional assistance. This role is fully remote, entirely chat-based, and includes step-by-step training to help you succeed—even if you're new to remote support.

Core Responsibilities

- Monitor and manage live chat queues during designated night hours
- Guide users through login recovery, subscription changes, and refund questions
- Apply promotional offers, update billing info, and troubleshoot common issues
- Use saved reply templates, internal documentation, and workflow prompts
- Tag conversations properly for team tracking and analytics

Why This Role Works for Night Owls

- All-text support—no phone or video obligations
- Work overnight, early mornings, or split shifts
- Weekly direct deposit and stable compensation
- Entry-level friendly, no prior support experience needed
- Quiet, distraction-free work ideal for late-night focus

Minimum Requirements

- Desktop or laptop computer (Windows or macOS)
- High-speed internet (10 Mbps or better)
- Typing speed of 45+ WPM
- Proficient written English and good grammar

What a Night Shift Looks Like

You start a 10 PM-4 AM shift. During your session, you respond to a user who needs a refund processed, another who's applying a limited-time discount code, and a third looking for their account welcome email. Each case is completed using templated responses, structured tools, and zero outbound work. Your shift is calm, focused, and fully supported.

What Your Teammates Are Saying

"This night shift schedule fits perfectly around my full-time day job. I work in peace and get paid weekly without stress." - *Renzo M., Las Vegas, NV*

"I was nervous to try remote work, but the tools made it easy. And best of all—no phone, ever." - *Amira S., Dubai, UAE*

Common Questions
