## Online Operations Assistant (Google Platform Projects) | \$25-\$35/hr | Work from Anywhere

### Description

**Job Title:** Remote Operations Assistant – Google Projects

**Pay Rate:** \$25-\$35/hour

**Location:** Fully Remote (Open to International Candidates)

**Experience Needed:** No prior experience required

**Degree Required:** Not required

**Schedule:** Flexible, 15–30 hours per week

### Position Summary

Our client is a digital consultancy that provides content, research, and operational support to clients using **Google Workspace, Google Ads, and Google Search Console**. They are currently looking for **Remote Operations Assistants** to join several Google-platform-focused support teams.

If you've been searching for “**Google jobs remote**” and want to work with widely used tools like Google Docs, Sheets, and Drive, this beginner-friendly role provides the perfect entry point. You'll support real projects, gain practical experience, and get paid while working from the comfort of your own home—no phone calls, no degree, and no prior experience required.

### Role Responsibilities

You'll be trained and matched to projects based on your availability, familiarity with Google tools, and preferred time zone. The majority of the tasks are non-client-facing and task-driven.

### Examples of work you may perform:

- Formatting, editing, and organizing Google Docs for client knowledge bases
- Updating Google Sheets used to manage content calendars, analytics, or product lists
- Reviewing performance data via Search Console and entering reports into dashboards
- Supporting the launch of small Google Ads campaigns by populating templates

## What You'll Need

- Laptop or desktop computer (Mac, Windows, or Linux)
- Stable internet connection (minimum 10 Mbps)
- Typing speed of 40+ WPM
- 15–30 hours of weekly availability
- Strong written English skills
- Quiet environment suitable for focused, solo work

## What You Don't Need

- A college degree
- Experience working with clients or large agencies
- Prior experience with remote work
- Comfort with phone-based or real-time communication
- U.S. residency—this role is open worldwide

## Compensation & Benefits

- Pay range: **\$25–\$35/hour**, depending on role and consistency

- Paid onboarding and platform walkthroughs
- Weekly or biweekly direct deposits or international payments via PayPal/TransferWise
- Flexible scheduling—day, evening, or weekend shifts available
- Task-based work delivery—no live calls or shift tracking
- Access to specialized project tracks after 30 days (SEO support, analytics, QA, etc.)

## A Typical Day in This Role

At 11 AM local time, you log in to your assigned workspace. You start by organizing this week's content calendar in Google Sheets. Then you review a Search Console report and pull relevant metrics into a summary doc. After lunch, you tag five folders in Google Drive and submit a short end-of-day update to your project lead.

No meetings. No stress. Just structured, remote work you can complete on your terms.

## What Team Members Say

*"It's been refreshing to finally work with a team that respects your time and communicates everything clearly. The Google tools were easy to learn, and I now have a rhythm that fits my life."* – Gabriela H., Portugal
