Schedule: Flexible 4–8 hour shifts; 15–40 hrs/week

Experience Required: None – beginner-friendly

Education Required: No degree required

Job Summary

If you're searching for **remote product assistance roles entry level** and want a real, structured work-from-home job, this is your chance. A leading digital services brand is hiring entry-level specialists to assist customers with product access, troubleshooting, and general usage questions—100% online through chat and email.

You'll guide users step-by-step using internal scripts and templates, ensuring they get the help they need without ever picking up a phone. Whether you're brand new to remote work or looking to build real experience, this role offers flexibility, stability, and a quiet, focused work environment.

Your Day-to-Day Responsibilities

- Respond to customer support inquiries via live chat and email
- Guide users through product setup, account access, billing updates, and FAQs
- Use templated responses and knowledge base materials for consistent service
- Tag, summarize, and close out tickets accurately
- Escalate complex issues to the senior tech team when needed
- Maintain a professional, positive tone across all written communications

Why You'll Love This Opportunity

- **No calls, no sales, no cold outreach.** All written communication
- **True flexibility.** Choose your schedule week by week
- **Beginner-friendly.** We'll train you step-by-step
- **Weekly pay.** Reliable income deposited every Friday
- **Build real experience.** Learn workflows used across top remote support teams

What You'll Need

- A laptop or desktop computer with Chrome browser
- Reliable internet (at least 10 Mbps)
- Typing speed of 45+ WPM
- Fluent written English
- Self-motivation and ability to follow instructions

Pay and Shift Details

Start at \$25/hour

Eligible for \$30-\$35/hour after 30 successful shifts and strong QA reviews

Schedule shifts weekly with our self-scheduling system. Work mornings, evenings, weekends, or nights based on your availability. Minimum 15 hours/week commitment.

Training Timeline

- 2 hours of onboarding modules
- Practice chats and email ticket walkthroughs
- One supervised live shift with QA review
- Begin paid shifts within 3-5 business days of approval

Example Work Session

You log in at 8 AM for a 6-hour shift. You guide a customer through resetting their dashboard, help another find a missing purchase confirmation, and walk a third through applying a discount code. Every conversation is typed, paced, and structured—no phones, no chaos.

What New Specialists Say

"I started with no experience, but the training was clear and the work is steady. I love being able to work mornings before my kids wake up." - *Emily R., Denver, CO*

"This role helped me build confidence working remotely. It's all writing, calm support, and the tools are easy to learn." - *Omar K., Nairobi, KE*

FAQs

Is this a phone-based support role?

No. You will only use chat and email to assist customers.

Do I need technical experience?

No technical background needed. You'll be trained to use our support platform.

Is the schedule really flexible?

Yes. You pick your shift blocks week by week.
