Self-Publishing Project Manager – Launch Your Own Amazon KDP Portfolio | Learn the Complete Process of Creating, Listing, and Selling Books for Global Royalties with No Degree or Prior Experience

Description

Overview

This opportunity is designed for individuals who want to take full control of a publishing business without the limitations of traditional employment. As a self-publishing project manager, you'll develop, produce, and release books through Amazon's Kindle Direct Publishing platform. Each book becomes a digital and print-on-demand asset that can generate royalties for years. Instead of tracking billable hours, your work is measured by the growth of your catalog and the sales it produces.

You'll operate in a market where buyers are already looking for what you can provide—niche-specific books that solve problems, offer guidance, or serve as practical tools like planners, journals, and workbooks. Amazon manages printing, fulfillment, and customer transactions, allowing you to focus entirely on content development and market positioning.

Core Responsibilities

- **Market Identification** – Investigate categories and subcategories to find niches with consistent demand. Review top-performing titles, study reader feedback, and note gaps you can fill.
- **Content Development** – Assemble book material using structured templates, AI-assisted drafts, or curated public domain resources. This ensures efficiency while maintaining professional quality.
- **Design Oversight** – Create or commission covers that stand out in crowded marketplaces and interiors that meet high readability standards for both digital and physical formats.
- **Listing Management** – Build product pages that clearly convey the book's value proposition, assign accurate categories, and use targeted phrasing to help the right readers discover your titles.
- **Launch Coordination** – Implement release plans that prioritize initial visibility, secure early reviews, and set the stage for long-term sales.
- **Portfolio Expansion** – Use existing royalties to finance new projects, gradually diversifying your offerings across complementary niches.

Skills and Qualities

- Ability to manage multiple projects from concept to launch.
- Comfort with research tools and online platforms.

Job Location

Remote work from: United States; Canada; Australia; United Kingdom; New Zealand; Ireland; Scotland; Sweden; Belgium; Spain; Czech Republic; Brazil; France; India; South Africa; Denmark; Germany; Philippines; Mexico; India; Indonesia; Alabama, USA; Alaska, USA; Arizona, USA; Arkansas, USA; California, USA; Colorado, USA; Connecticut, USA; Delaware, USA; Florida, USA; Georgia, USA; Hawaii, USA; Idaho, USA; Illinois, USA; Indiana, USA; Iowa, USA; Kansas, USA; Kentucky, USA; Louisiana, USA; Maine, USA; Maryland, USA; Massachusetts, USA; Michigan, USA; Minnesota, USA; Mississippi, USA; Missouri, USA; Montana, USA; Nebraska, USA; Nevada, USA; New Hampshire, USA; New Jersey, USA; New Mexico, USA; New York, USA; North Carolina, USA; North Dakota, USA; Ohio, USA; Oklahoma, USA; Oregon, USA; Pennsylvania, USA; Rhode Island, USA; South Carolina, USA; South Dakota, USA; Tennessee, USA; Texas, USA; Utah, USA; Vermont, USA; Virginia, USA; Washington, USA; West Virginia, USA; Wisconsin, USA; Wyoming, USA

- Strong sense of organization and workflow planning.
- Commitment to consistent output and refinement.
- Entrepreneurial mindset with a focus on asset building.

Earning Potential

Amazon KDP offers royalty rates of 35% or 70%, depending on format and pricing. For example, a \$14.99 paperback might yield a \$5 royalty per copy. Just 100 sales in a month could generate \$500 in income from a single title. As your portfolio grows, those streams multiply, and backlist titles can continue producing revenue without additional input.

Advantages of the Model

- **Scalable Operations** – Add titles at your own pace; there’s no ceiling.
- **No Logistics Burden** – Amazon handles fulfillment and customer service.
- **Global Presence** – Your books are listed for sale worldwide.
- **Low Entry Barrier** – Minimal startup costs and accessible tools.
- **Evergreen Earning Potential** – Well-positioned titles can keep selling for years.

Market Opportunity

Publishing on Amazon KDP places you directly in front of a massive audience of buyers with specific needs. When you align your titles with those needs—whether it’s a goal-tracking journal, a skill-building workbook, or a concise reference guide—you position yourself for steady sales driven by genuine demand.

Training and Support

The Kindle Riches program equips you with:

- Step-by-step guidance for niche discovery.
- Methods to produce books without extensive writing.
- Design principles for covers and interiors.
- Best practices for optimizing product pages.
- Launch strategies to accelerate early sales.

Ideal Candidates

- Stay-at-home parents balancing family and income goals.
- Retirees looking to leverage time for lasting revenue.
- Side hustlers ready to build self-sustaining assets.
- Digital nomads seeking a business untethered to location.

Getting Started

Select “Learn More” to access the full Kindle Riches system and begin managing your first publishing project. Every title you bring to market is a step toward a library of assets that can continue paying you far into the future.
