Social Media Video Distributor – Work from Home | Entry-Level Role

Description

Position Summary

The Social Media Video Distributor position is a fully remote, entry-level opportunity that allows you to earn consistent daily income by posting short, pre-made videos on major platforms like TikTok, Facebook, Instagram, and YouTube. Each video you publish includes your personal link to a prebuilt digital storefront — every time a viewer buys from your page, you receive an instant **\$47 payout**. No degree, experience, or followers required.

About the Role

As a Social Media Video Distributor, you'll be distributing professionally made short-form videos designed to drive engagement and conversions. Every piece of content, caption, and call-to-action is already optimized for maximum reach. You won't handle any customer service or product fulfillment — the automated system does it for you. Your only task is to post consistently and track your earnings.

Included in your setup:

- 500+ viral-ready videos formatted for all platforms
- A complete, done-for-you website with payment integration
- Pre-written captions, hashtags, and SEO titles for every video
- Training tutorials to launch in less than an hour
- 30-day WhatsApp support to help you reach your first 50 sales

You'll be using the same strategy currently driving thousands in monthly automated income for others — without the stress of creating or editing anything yourself.

Key Responsibilities

- 1. Upload Pre-Made Videos:** Post 2–3 short videos daily to your social media accounts.
- 2. Apply Ready Captions and Hashtags:** Copy-paste SEO-optimized metadata for each post.
- 3. Monitor Sales and Traffic:** Track your daily results in your dashboard.
- 4. Stay Consistent:** Keep a daily posting rhythm for optimal visibility.
- 5. Use Mentorship Guidance:** Follow step-by-step strategies from your success coach.
