## TikTok Content Distributor – Remote Work From Home | No Degree or Experience Required

### Description

#### Position Summary

The TikTok Content Distributor role is a fully remote opportunity for individuals who want to earn real, consistent income by posting pre-made videos on TikTok — no filming, editing, or camera presence required. Each short video is ready to upload, and every one you post contains your personalized link to a \$47 digital product. Every sale made through that link pays you the full \$47 directly and instantly. This position is ideal for anyone looking to start an online income stream without needing followers, experience, or technical knowledge.

### About the Role

TikTok is the leading short-form video platform globally, giving anyone the ability to reach massive audiences without ads or subscribers. As a TikTok Content Distributor, you'll use that viral potential with a plug-and-play content system that's already proven to sell. You'll get access to:

- 500+ pre-edited viral videos designed for TikTok's algorithm
- Copy-and-paste captions and hashtags
- A pre-built sales page and payment system
- Video tutorials that walk you through every step (takes under 60 minutes)
- 30-day WhatsApp mentorship to help you hit your first 50 sales

You don't need to run ads, manage customers, or design anything. Simply post the videos, and the system handles the rest.

### Key Responsibilities

#### 1. Post Pre-Made TikTok Videos Daily

Upload 2–3 ready-to-go videos per day from your personal content folder. Each one has been tested for engagement and conversions.

#### 2. Copy and Paste Captions and Tags
