## TikTok Reels Coordinator – Remote Job | No Degree or Experience Needed

### Description

#### Position Summary

The TikTok Reels Coordinator position is a remote, beginner-friendly opportunity designed for individuals who want to earn daily income by posting short videos online — without recording, editing, or appearing on camera. Every video, caption, and posting instruction is provided. Your role is to post pre-made videos on TikTok (and optionally Instagram or YouTube Shorts), link them to your sales page, and collect \$47 for every sale made through your link. You keep 100% of the profit — no commissions, no ads, and no waiting for approval.

### About the Role

TikTok is one of the fastest-growing social platforms for digital discovery, and short-form content is the engine behind it. This position leverages that opportunity using a complete, ready-to-launch system. You'll receive everything pre-built — 500+ optimized videos, plug-and-play captions, and a pre-designed website where viewers can purchase instantly.

You'll receive access to:

- A library of 500+ viral TikTok videos ready to post
- Captions, hashtags, and step-by-step posting templates
- A done-for-you website and payment page
- Tutorials showing how to set up and start earning within one hour
- Personalized WhatsApp mentorship for your first 50 sales

There's no tech setup, no product creation, and no customer handling. You focus entirely on posting — the system does the rest.

### Key Responsibilities

#### 1. Upload TikTok Reels Daily

Select and post 2–3 pre-made videos per day from your content library. Each one is designed for maximum reach on TikTok's "For You" feed.

#### 2. Add Captions and Hashtags

Copy-paste the pre-written captions and tags provided to increase exposure.

#### 3. Track Your Dashboard

Monitor your personalized dashboard to view video performance, link clicks, and \$47 sales in real time.
