TikTok Video Publisher – Remote Opportunity | No Degree or Experience Required

Description

Position Summary

The TikTok Video Publisher position is a 100% remote, entry-level role designed for individuals who want to earn daily income by posting pre-made short videos on TikTok. You don't have to appear on camera, record content, or manage followers — all videos, captions, and links are provided for you. Each video you post promotes a digital product that sells for \$47, and every sale through your personal link pays you the full \$47 directly. It's a simple, repeatable process that can be done in under 20 minutes a day from anywhere in the world.

About the Role

TikTok's algorithm rewards frequent posting and authentic engagement, which makes it one of the easiest platforms to go viral — even without followers. As a TikTok Video Publisher, you'll use that power to generate consistent income through pre-made videos proven to perform well. You'll receive everything needed to launch immediately:

- Over 500 pre-edited, faceless videos formatted for TikTok
- Ready-to-use captions and hashtags
- A done-for-you website with built-in payment processing
- A personalized link that automatically tracks your sales
- Step-by-step onboarding tutorials
- A dedicated WhatsApp support team for your first 50 sales

Your only responsibility is to post the videos regularly and let the system handle the rest — no customer service, no ad buying, and no tech setup required.

Key Responsibilities

1. Post Pre-Made TikTok Videos Daily

Choose from your library and post 2–3 short videos per day. The content is optimized to trigger TikTok's recommendation algorithm and attract engagement organically.

2. Add Captions and Hashtags

Each video comes with a caption and trending tags that drive traffic to your link automatically.

3. Monitor Engagement and Sales

Your dashboard tracks everything: video views, link clicks, and \$47 sales. You'll see your earnings grow in real time.
