About the Company

A digital-first learning platform for online courses and productivity tools is hiring for **typing jobs from home no phone** required. These roles involve supporting customers by responding to live chat questions, email support requests, and pre-filled ticket queues—all from a browser dashboard.

There are no voice calls, no meetings, and no video conferencing. You'll be working behind the scenes helping users solve simple problems with access, navigation, and account setup using typing-based communication only. If you're quick with the keyboard and want a quiet, focused job that doesn't involve talking to customers, this is your lane.

Daily Responsibilities

- Type and send chat responses to customer inquiries using saved reply templates
- Answer support tickets regarding account access, password resets, and course access
- Follow written workflows to guide users to the right tools and resources
- Escalate technical bugs to the internal support or engineering teams
- Document interactions and tag conversations for reporting
- Work calmly and independently, managing multiple simple requests at once

Why This Role Is a Fit for Fast Typists and Quiet Workers

You're searching for **typing jobs from home no phone** because you:

- Want to avoid calls, meetings, and loud environments
- Prefer working with written communication
- Have strong attention to detail and fast keyboard skills
- Need a legitimate remote job that offers consistent pay and structure

This is a phone-free zone. All tasks are done with typing—no talking required.

What You'll Need to Start

- Laptop or desktop (Mac/PC) with Chrome or Firefox installed
- Internet speed of 10 Mbps or faster

- 3 test chat and ticket simulations
- Live feedback from a training lead
- Most new hires are fully active within 2-4 business days

A Sample Shift

You log in at 3 PM for a 5-hour shift. Your first ticket is a user who can't access their downloadable workbook. You paste the access link and instructions. Next, a customer wants help applying their course completion certificate—you guide them through the process with a saved reply. By the end of the shift, you've resolved 27 tickets—all typed, no voice required.

What Other Typists Say

"This is the first job I've had where I didn't have to talk to anyone. Just me, my keyboard, and a browser tab. It's heaven for introverts." - *Zoe R., Boise, ID*

"I type quickly and don't like phone calls. This job pays well, trains you clearly, and lets you work from anywhere in total peace." - *Ravi S., Bangalore, IN*

FAQs
