About the Company

A global tech company specializing in subscription-based digital products and e-learning platforms is expanding its virtual support team. With a strong emphasis on remote culture and quiet, focused workflows, they are hiring for **virtual customer messaging jobs remote**—offering 100% non-phone roles that allow individuals to support customers from anywhere in the world.

Position Overview

As a **virtual customer messaging assistant**, you'll support users via chat and email using scripted replies and structured workflows. Whether customers need help logging in, updating their subscriptions, or understanding how to apply a discount, you'll guide them step by step using professional, templated responses—no live calls, no meetings.

What You'll Do

- Respond to support requests through online chat and email platforms
- Help customers troubleshoot access issues, billing problems, and general account concerns
- Use prewritten responses and support templates to maintain clarity and consistency
- Escalate technical issues or refund disputes to the appropriate internal team
- Keep accurate records of each interaction with correct tagging
- Maintain a calm, professional tone in all written conversations

Why This Role is Right for You

- Messaging-only—zero phone or video communication
- Weekly pay with flexible hours
- Ideal for beginners—no experience required
- Work from home or anywhere with internet
- Choose your shifts and build your own schedule

Required Tools & Skills

- Laptop or desktop computer with Chrome
- Stable internet connection (10 Mbps minimum)
