### Company Overview

A fast-growing digital publishing and e-learning platform is looking for new team members to join its expanding support network. With 24/7 operations and thousands of active users, the company is actively hiring for **web chat jobs** that allow team members to work from anywhere, support real users, and never take a phone call. This position is ideal for individuals who prefer quiet, focused work from home with a predictable weekly paycheck.

### About the Role

You'll serve as a Web Chat Representative, answering real-time support requests from customers who need help accessing content, resetting login credentials, applying coupon codes, or updating their subscription settings. This is a non-phone role with clear scripts, documented workflows, and built-in tools for ticket management.

### Key Responsibilities

- Respond to live chat inquiries through an internal messaging dashboard
- Use company-provided replies and knowledge base to answer questions
- Solve basic billing, access, and account-related problems
- Escalate edge cases to the appropriate team with notes
- Stay on-brand in tone, speed, and style in every message

### Why This Chat Job Is Different

- 100% chat and written communication—never answer a call
- Weekly pay through direct deposit
- Structured workflow makes each ticket predictable
- Designed for new remote workers with no prior experience
- Flexible shifts that work around your life

### Requirements

- Computer or laptop (Chromebook or better)
- Stable high-speed internet (10 Mbps+)
- Minimum 45 WPM typing speed
- Good grammar and professional writing tone
