Description

Position Summary

The YouTube Channel Operator position offers a fully remote, beginner-friendly way to earn consistent online income through short-form content — without filming, editing, or speaking on camera. There are no commissions, no middlemen, and no ad revenue thresholds — your channel is ready to monetize from day one.

About the Role

YouTube Shorts is currently one of the highest-traffic video platforms in the world, offering creators massive organic reach even without subscribers. As a YouTube Channel Operator, you'll use this reach to promote a ready-to-sell digital product using pre-tested, faceless videos that are already performing.

You'll receive:

- 500+ YouTube Shorts videos formatted and optimized for viral reach
- Pre-written titles, tags, and descriptions that you simply copy and paste
- A complete sales system (website + payment integration) that handles transactions automatically
- A detailed tutorial showing you how to upload and start earning within an hour
- 30 days of personalized WhatsApp mentorship to help you scale your first 50 sales

You don't need to create, edit, or even appear on video — every step is done for you.

Choose 2–3 ready-to-use Shorts each day and post them to your channel. The more consistently you post, the faster your reach and results grow.

2. Use the Provided Titles and Tags

Each video includes keyword-rich titles and tags to ensure visibility and clicks.

3. Track Performance and Earnings

You'll access a real-time dashboard showing your video views, clicks, and \$47
