## YouTube Content Strategist – Remote Job | No Experience or Degree Required

### Description

#### Position Summary

The YouTube Content Strategist role is a flexible, beginner-friendly remote position designed for individuals who want to earn online by distributing pre-made YouTube Shorts that drive viewers to a ready-to-sell digital product. You'll earn **\$47 per sale**, paid instantly to your account. You don't need to record videos, show your face, or have experience in marketing — all content, tools, and templates are already done for you.

### About the Role

As a YouTube Content Strategist, your main focus is consistency — posting short, pretested video clips designed to convert viewers into buyers. - A complete website and digital product already built for you
- Step-by-step video training showing how to upload and monetize
- A 30-day WhatsApp mentorship to help you achieve your first 50 sales
